

DAVID CROSBY

Graphic Design & Illustration

Experience

Student Graphic Designer, University of Kentucky 2021 - Present

Created original and engaging visual designs for social media, increasing interaction and establishing a more appealing style while following the parameters of the brand standard style guide.

Student Consultant, University of Kentucky 2021

Conducted comprehensive legal, ethical, and entrepreneurial audit of a corporation, presented recommendations to entrepreneurs seeking to maximize profit, minimize legal issues, and resolve conflicts of interest. Recommended strategic, measurable, actionable, relevant, and timely goals and objectives.

Freelance Designer May 2018 - present

Created assets for visual identities of various businesses. Worked with multiple clients in a fast paced environment, using creative strategies to communicate design ideas and work toward a cohesive final product, including work on the logos, business cards, and website design.
